

Scavenger Hunt

Following last week's activity, where we looked at jobs available in Yorkshire, we now want you to think about what jobs are available where you live. Think about the course you are interested in studying, or the career you aspire to have in the future. Whether you are in your house, or out and about, try and see if you can find the things that relate to your chosen course / career in your area. Feel free to have a look online and use pictures you find there. You can make a collage of your pictures or send us your favourite ones on social media tagging @keighleycollege on twitter.

As an added bonus, see how many fun facts you can find about your chosen course / career. Tweet us your favourite one @keighleycollege.

Chosen career: Hairdressing
